FIELD TRIP SAFETY STANDARDS FOR PRIVATELY OWNED VEHICLES

- A. The driver and each passenger must use a fixed seat belt. Children under the age of 8 or 4'9" must be secured in a car seat or booster seat in the back seat. No doubling up on seat belts. A child may not sit in a seat with an air bag.
- B. The vehicle is serviced regularly, is in safe operating condition, and is equipped with a first aid kit, blanket and spare tire.
- C. Driver agrees to obey the speed limit.
- D. Trucks or trailers are never used for transporting students except as seat belted passengers in the cab.
- E. The driver is currently licensed and carries at least the minimum insurance required by the state of California.
- F. If a vehicle designated by the manufacturer for carrying 10 or more passengers is used, the driver must hold a valid Class II driver's license (state law). The license holder must also have a valid medical certificate not more than two years old.
