Our Elementary School

CHRISTIAN EDUCATION

Bible Curriculum

Our teachers teach a Bible Curriculum in addition to standard subjects. Students learn Bible history as well as how their faith can play a part in their everyday lives. Our school also focuses on teaching positive character traits such as kindness, honesty, respect, and self-control.

Weekly Chapel Service

All of our classes take part in a weekly chapel service. Students learn praise and worship songs, hear a brief message from our pastor, discuss the monthly character trait, and learn about how we can help others.

Ask Our Teachers:

Why is a Christian Education so important?

"Christian education in the elementary years sets a good foundation to solidify faith and morals before a student moves on to middle school, high school, and adult life. Here at CTCA we prioritize both academic excellence as well as spiritual growth, emphasizing virtues such as compassion, kindness, honesty, and humility. We strive to provide a safe, supportive, and nurturing environment where students feel valued, respected, and cared for." -Mrs. Peters
